Party Packages

We know it's the most important day of the year for your child and we treat them like it. Every party is hosted by our friendly staff, who make sure your every need is attended to.

Our Packages have been designed to include every child's favorite activities, unique age-appropriate birthday games and lots of adventures!

Your youngster will be delighted in this amazing private celebration with excitement for the entire family.

The best part is you get to enjoy the party without worrying about the setup, cleanup or the activities!

Don't forget to bring your camera to capture the FUN!
